

CONTENTS

NEW SERIES, VOL. XXXIV, No. 133, JANUARY 1965

Folic Acid Deficiency in Patients After Gastric Resection. By K. R. Gough, J. L. Thirkettle, and A. E. Read	1
Albumin Metabolism in Tropical Sprue. By S. K. Vaish, M. Ignatius, and S. J. Baker	15
The Mechanism of Anaemia in Chronic Liver Disease. By Carlien Kimber, D. J. Deller, R. N. Ibbotson, and H. Lander	33
Hemiplegic Migraine: A Clinical Study. By Peter Bradshaw and Malcolm Parsons	65
The Renal Acidosis Caused by Dichlorophenamide Treatment in Respiratory Insufficiency. By A. Polak and D. Redstone	87
The Relationship Between Diabetes and Obesity: A Study of Susceptibility to Diabetes in Obese People. By D. R. K. Medley	111
Chromosomal Changes Following Treatment of Polycythaemia with Radioactive Phosphorus. By W. D. Macdiarmid. With Plates 1 to 2	133

NUMBER 134, APRIL 1965

Hypochromic Anaemia. A Retrospective Study and Follow-up of 378 Inpatients. By B. R. Beveridge, R. M. Bannerman, J. M. Evanson, and L. J. Witts	145
The Relationship of Lead Poisoning to Acute Intermittent Porphyria. By J. H. Dagg, A. Goldberg, A. Lochhead, and J. A. Smith	163
Idiopathic Juvenile Osteoporosis. By C. E. Dent and M. Friedman. With Plates 3 to 12	177
Ulcerative Colitis in Chronic Liver Disease. By C. D. Holdsworth, Elizabeth W. Hall, A. M. Dawson, and Sheila Sherlock. With Plates 13 to 15	211
Abnormalities of the Sacro-Iliac Joints and Uveitis in Ulcerative Colitis. By Ralph Wright, K. Lumsden, M. H. Luntz, D. Sevel, and S. C. Truelove	229
The Treatment of Chronic Renal Failure by a Modified Giovannetti Diet. By A. B. Shaw, F. J. Bazzard, E. M. Booth, S. Nilwarangkur, and G. M. Berlyne	237

NUMBER 135, JULY 1965

Electromyography in Thyrotoxicosis. By Ian D. Ramsay	255
Renal Venous Thrombosis in Children. By J. B. McFarland. With Plates 16 to 21	269
Calcareous Renal Disease and Hyperparathyroidism. By Jack M. George, Alan S. Rabson, Alfred Ketcham, and Frederic C. Bartter. With Plates 22 to 25	291
Psychiatric Syndromes Due to Avitaminosis B ₁₂ with Normal Blood and Marrow. By R. W. Strachan and J. G. Henderson	303
The Malabsorption Syndrome Following Radiotherapy. By W. Duncan and J. C. Leonard	319

Steatorrhoea in Vascular Insufficiency of the Small Intestine: Five Cases of Polyarteritis Nodosa and Allied Disorders. By D. B. Carron and A. P. Douglas	331
Pregnancy and Idiopathic Osteoporosis. By C. E. Dent and M. Friedman	341

NUMBER 136, OCTOBER 1965

Recurrent Haematuria in Childhood. By Martin Bodian, John Angus Black, N. Kobayashi, Brian D. Lake, and S. E. Shuler. With Plates 26 to 30	359
The Natural History of Endomyocardial Fibrosis. By E. H. O. Parry and D. Gordon Abrahams. With Plates 31 to 36	383
Atrial Septal Defect in the Middle-aged and Elderly. By P. Markman, G. Howitt, and E. G. Wade	409
Iron Storage in Relatives of Patients with Haemochromatosis and in Relatives of Patients with Alcoholic Cirrhosis and Haemosiderosis. By L. W. Powell. With Plate 37	427
Pituitary Ablation for Diabetic Retinopathy. By G. F. Joplin, Russell Fraser, D. W. Hill, N. W. Oakley, D. J. Scott, and F. H. Doyle. With Plate 38	443
Nocturnal Nephrogenic Diabetes Insipidus. By G. M. Berlyne, S. Nilwarangkur, K. Janabi, and M. Cooper	465

INDEX TO CONTRIBUTORS

ABRAHAMS, D. G. The Natural History of Endomyocardial Fibrosis	383
BAKER, S. J. Albumin Metabolism in Tropical Sprue	15
BANNERMAN, R. M. Hypochromic Anaemia. A Retrospective Study and Follow-up of 378 In-patients	145
BARTTER, F. C. Calcareous Renal Disease and Hyperparathyroidism. With Plates 22 to 25	291
BAZZARD, F. G. The Treatment of Chronic Renal Failure by a Modified Giovannetti Diet	237
BERLYNE, G. M. The Treatment of Chronic Renal Failure by a Modified Giovannetti Diet	237
BERLYNE, G. M. Nocturnal Nephrogenic Diabetes Insipidus	465
BEVERIDGE, B. R. Hypochromic Anaemia. A Retrospective Study and Follow-up of 378 In-patients	145
BLACK, J. A. Recurrent Haematuria in Childhood. With Plates 26 to 30	359
BODIAN, M. Recurrent Haematuria in Childhood. With Plates 26 to 30	359
BOOTH, E. M. The Treatment of Chronic Renal Failure by a Modified Giovannetti Diet	237
BRADSHAW, P. Hemiplegic Migraine: A Clinical Study	65
CARRON, D. B. Steatorrhoea in Vascular Insufficiency of the Small Intestine: Five Cases of Polyarteritis Nodosa and Allied Disorders	331
COOPER, M. Nocturnal Nephrogenic Diabetes Insipidus	465
DAGG, J. H. The Relationship of Lead Poisoning to Acute Intermittent Porphyrria	163
DAWSON, A. M. Ulcerative Colitis in Chronic Liver Disease. With Plates 13 to 15	211
DELLER, D. J. The Mechanism of Anaemia in Chronic Liver Disease	33
DENT, C. E. Idiopathic Juvenile Osteoporosis. With Plates 3 to 12	177
DENT, C. E. Pregnancy and Idiopathic Osteoporosis	341
DOUGLAS, A. P. Steatorrhoea in Vascular Insufficiency of the Small Intestine: Five Cases of Polyarteritis Nodosa and Allied Disorders	331
DOYLE, F. H. Pituitary Ablation for Diabetic Retinopathy	443
DUNCAN, W. The Malabsorption Syndrome Following Radiotherapy	319
EVANSON, J. M. Hypochromic Anaemia. A Retrospective Study and Follow-up of 378 In-patients	145
FRASER, R. Pituitary Ablation for Diabetic Retinopathy	443
FRIEDMAN, M. Idiopathic Juvenile Osteoporosis. With Plates 3 to 12	177
FRIEDMAN, M. Pregnancy and Idiopathic Osteoporosis	341
GEORGE, J. M. Calcareous Renal Disease and Hyperparathyroidism. With Plates 22 to 25	291
GOLDBERG, A. The Relationship of Lead Poisoning to Acute Intermittent Porphyrria	163
GOUGH, K. R. Folic Acid Deficiency in Patients after Gastric Resection	1
HALL, E. W. Ulcerative Colitis in Chronic Liver Disease. With Plates 13 to 15	211
HENDERSON, J. G. Psychiatric Syndromes Due to Avitaminosis B ₁₂ with Normal Blood and Marrow	303
HILL, D. W. Pituitary Ablation for Diabetic Retinopathy	443

HOLDSWORTH, C. D. Ulcerative Colitis in Chronic Liver Disease. With Plates 13 to 15	211
HOWITT, G. Atrial Septal Defect in the Middle-aged and Elderly	409
IBBOTSON, R. N. The Mechanism of Anaemia in Chronic Liver Disease	33
IGNATIUS, M. Albumin Metabolism in Tropical Sprue	15
JANABI, K. Nocturnal Nephrogenic Diabetes Insipidus.	465
JOPLIN, G. F. Pituitary Ablation for Diabetic Retinopathy	443
KETCHAM, A. Calcareous Renal Disease and Hyperparathyroidism. With Plates 22 to 25	291
KIMBER, C. The Mechanism of Anaemia in Chronic Liver Disease	33
KOBAYASHI, N. Recurrent Haematuria in Childhood. With Plates 26 to 30	359
LAKE, B. D. Recurrent Haematuria in Childhood. With Plates 26 to 30.	359
LANDER, H. The Mechanism of Anaemia in Chronic Liver Disease	33
LEONARD, J. C. The Malabsorption Syndrome Following Radiotherapy	319
LOCHHEAD, A. The Relationship of Lead Poisoning to Acute Intermittent Porphyria	163
LUNTZ, M. H. Abnormalities of the Sacro-Iliac Joints and Uveitis in Ulcerative Colitis	229
LUMSDEN, K. Abnormalities of the Sacro-Iliac Joints and Uveitis in Ulcerative Colitis	229
MACDIARMID, W. D. Chromosomal Changes following Treatment of Polycythaemia with Radioactive Phosphorus. With Plates 1 to 2	133
McFARLAND, J. C. Renal Venous Thrombosis in Children. With plates	269
MARKMAN, P. Atrial Septal Defect in the Middle-aged and Elderly.	409
MEDLEY, D. R. K. The Relationship between Diabetes and Obesity: A Study of Susceptibility to Diabetes in Obese People	111
NILWARANGKUR, S. The Treatment of Chronic Renal Failure by a Modified Giovannetti Diet	237
NILWARANGKUR, S. Nocturnal Nephrogenic Diabetes Insipidus	465
OAKLEY, N. W. Pituitary Ablation for Diabetic Retinopathy	443
PARRY, E. H. O. The Natural History of Endomyocardial Fibrosis. With Plates 31 to 36	383
PARSONS, M. Hemiplegic Migraine: A Clinical Study	65
POLAK, A. The Renal Acidosis Caused by Dichlorphenamide Treatment in Respiratory Insufficiency	87
POWELL, L. W. Iron Storage in Relatives of Patients with Haemochromatosis and in Relatives of Patients with Alcoholic Cirrhosis and Haemosiderosis. With Plate 37	427
RABSON, A. S. Calcareous Renal Disease and Hyperparathyroidism. With Plates 22 to 25	291
RAMSAY, I. D. Electromyography in Thyrotoxicosis	255
READ, A. E. Folic Acid Deficiency in Patients after Gastric Resection	1
REDSTONE, D. The Renal Acidosis Caused by Dichlorphenamide Treatment in Respiratory Insufficiency	87
SCOTT, D. J. Pituitary Ablation for Diabetic Retinopathy	443
SEVEL, D. Abnormalities of the Sacro-Iliac Joints and Uveitis in Ulcerative Colitis	229

INDEX TO CONTRIBUTORS

vii

SHERLOCK, S. Ulcerative Colitis in Chronic Liver Disease. With Plates 13 to 15	211
SHULER, S. E. Recurrent Haematuria in Childhood. With Plates 26 to 30	359
SMITH, J. A. The Relationship of Lead Poisoning to Acute Intermittent Porphyria	163
STRACHAN, R. W. Psychiatric Syndromes Due to Avitaminosis B ₁₂ with Normal Blood and Marrow	303
THIRKETTLE, J. L. Folic Acid Deficiency in Patients after Gastric Resection	1
TRUELOVE, S. C. Abnormalities of the Sacro-Iliac Joints and Uveitis in Ulcerative Colitis	229
VAISH, S. K. Albumin Metabolism in Tropical Sprue	15
WADE, E. G. Atrial Septal Defect in the Middle-aged and Elderly	409
WITTS, L. J. Hypochromic Anaemia. A Retrospective Study and Follow-up of 378 In-patients	145
WRIGHT, R. Abnormalities of the Sacro-Iliac Joints and Uveitis in Ulcerative Colitis	229

INDEX

- Ablation, pituitary, for diabetic retinopathy, 443.
- Abnormalities of the sacro-iliac joints and uveitis in ulcerative colitis, 229.
- Acidosis, renal, caused by dichlorophenamide treatment in respiratory insufficiency, 87.
- Acute intermittent porphyria, the relationship of lead poisoning to, 163.
- Albumin metabolism in tropical sprue, 15.
- Alcoholic cirrhosis and haemosiderosis, iron storage in relatives of patients with haemochromatosis and in relatives of patients with, 427.
- Anaemia, hypochromic—retrospective study and follow-up of 378 in-patients, 145.
- Anaemia, the mechanism of, in chronic liver disease, 33.
- Association of Physicians of Great Britain and Ireland: 59th Annual General Meeting, 482.
- Atrial septal defect in the middle-aged and elderly, 409.
- Avitaminosis B₁₂, psychiatric syndromes due to, with normal blood and marrow, 303.
- B₁₂ avitaminosis, psychiatric syndromes due to, with normal blood and marrow, 303.
- Calcareous renal disease and hyperparathyroidism, 291.
- Childhood, recurrent haematuria in, 359.
- Children, renal venous thrombosis in, 269.
- Chromosomal changes following treatment of polycythaemia with radioactive phosphorus, 133.
- Cirrhosis, alcoholic and haemosiderosis, iron storage in relatives of patients with haemochromatosis, 427.
- Colitis, ulcerative, abnormalities of the sacro-iliac joints and uveitis in, 229.
- Colitis, ulcerative, in chronic liver disease, 211.
- Deficiency, folic acid, in patients after gastric resection, 1.
- Diabetes, insipidus, nocturnal, nephrogenic diabetes and obesity, the relationship between, 111.
- Diabetic retinopathy, pituitary ablation for, 443.
- Dichlorophenamide treatment in respiratory insufficiency, renal acidosis caused by diet, Giovannetti, treatment of chronic renal failure by, 237.
- Endomyocardial fibrosis, the natural history of, 383.
- Elderly and middle-aged, atrial septal defect in, 409.
- Electromyography in thyrotoxicosis, 255.
- Failure, chronic renal treatment of, by a modified Giovannetti diet, 237.
- Folic acid deficiency in patients after gastric resection, 1.
- Gastric resection, folic acid deficiency in patients after, 1.
- Giovannetti diet, modified, the treatment of chronic renal failure by, 237.
- Haematuria, recurrent, in childhood, 359.
- Haemochromatosis, iron storage in relatives of patients with, 427.
- Haemosiderosis, iron storage in relatives of patients with, 427.
- Hemiplegic migraine, 65.
- Hyperparathyroidism, calcareous renal disease and, 291.
- Hypochromic anaemia, 145.
- Idiopathic juvenile osteoporosis, 177.
- Idiopathic osteoporosis and pregnancy, 341.
- Intestine, steatorrhoea in vascular insufficiency of the small, 331.
- Iron storage in relatives of patients with haemochromatosis and in relatives of patients with alcoholic cirrhosis and haemosiderosis, 427.
- Juvenile, idiopathic osteoporosis, 177.
- Lead poisoning, the relationship to acute intermittent porphyria, 163.
- Liver disease, chronic, anaemia in, 33.

- Liver disease, chronic, ulcerative colitis in, 211.
- Malabsorption syndrome following radiotherapy, 319.
- Mechanism of anaemia in chronic liver disease, 33.
- Metabolism, albumin in tropical sprue, 15.
- Middle-aged and elderly, atrial septal defect in, 409.
- Migraine, hemiplegic, 65.
- Natural history of endomyocardial fibrosis, 383.
- Nephrogenic nocturnal diabetes insipidus, 465.
- Obesity, the relationship between diabetes and, 111.
- Osteoporosis, idiopathic, juvenile, 177.
- Osteoporosis, pregnancy and idiopathic, 341.
- Pituitary ablation for diabetic retinopathy, 443.
- Polyarteritis nodosa; five cases of, steatorrhoea in vascular insufficiency of small intestine, 331.
- Polycythaemia, chromosomal changes following treatment of, with radioactive phosphorus, 133.
- Porphyria, acute, intermittent, relationship to lead poisoning, 163.
- Pregnancy and idiopathic osteoporosis, 341.
- Radioactive phosphorus, chromosomal changes following treatment of polycythaemia with, 133.
- Radiotherapy, malabsorption syndrome following, 319.
- Recurrent haematuria in childhood, 359.
- Renal acidosis caused by dichlorophenamide treatment in respiratory insufficiency, 87.
- Renal disease, calcareous, and hyperparathyroidism, 291.
- Renal failure, chronic, treatment of by a modified Giovannetti diet, 237.
- Renal venous thrombosis in children, 269.
- Respiratory insufficiency, renal acidosis caused by dichlorophenamide treatment in, 87.
- Retinopathy, diabetic, pituitary ablation for, 443.
- Sacro-iliac joints, abnormality of, and uveitis in ulcerative colitis, 211.
- Sprue, tropical, albumin metabolism in, 15.
- Steatorrhoea in vascular insufficiency of the small intestine, 331.
- Syndrome, malabsorption, following radiotherapy, 319.
- Syndromes, psychiatric, due to avitaminosis B₁₂ with normal blood and marrow, 303.
- Treatment of chronic renal failure by a modified Giovannetti diet, 237.
- Treatment of polycythaemia with radioactive phosphorus, chromosomal changes following, 133.
- Tropical sprue, albumin metabolism in, 15.
- Thrombosis, renal venous, in children, 269.
- Thyrotoxicosis, electromyography in, 255.
- Ulcerative colitis, abnormalities of sacro-iliac joints and uveitis in, 229.
- Ulcerative colitis in chronic liver disease, 211.
- Uveitis and abnormalities of sacro-iliac joints in ulcerative colitis, 229.
- Vascular insufficiency of the small intestine, steatorrhoea in, 331.
